

# JACKSON PARK STUDENTS VISIT SUTTER-MEYER FARMHOUSE

JACKSON PARK 4TH GRADERS MEET BILL MEYER AND STEFANY BROT.

## Sutter-Meyer: Enriching Our Present by Sharing the Stories of Our Past

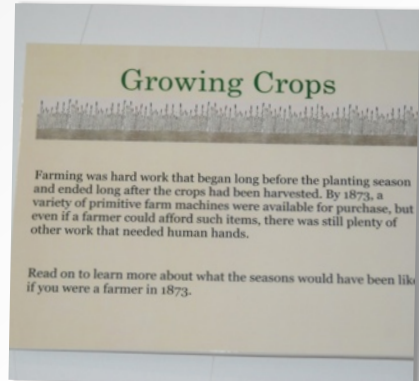

This spring Mary Pat Gallagher, a teacher and Sutter-Meyer volunteer, met with Jackson Park School's 4th grade teachers Ms. Liz McMullen, Ms. Jasmine Nichols, and Ms. Janet Vaughn, and their students to discuss early 20th century farm life.

The group brainstormed activity ideas that would be interesting for Sutter-Meyer visitors to participate in while giving them an authentic feel for turn-of-the-century farm life. Making books, doing a scavenger hunt, playing games and viewing vintage clothing, tools, and

furniture were ideas the 4th graders thought would be fun as well as educational. In early May the students and teachers took a field trip to Sutter-Meyer farmhouse, where they toured the house, made books, and played old fashioned games. The 4th graders had a great time trying the 3-legged races!
