Fun at the Summer Open House and Garden Tour!

On Saturday, June 15, we hosted our first summer garden tour and open house in conjunction with a major Historic St. Louis event (which included over 26 historic homes). Our Society provided entertainment and refreshments for guests visiting the farmhouse. Board members explained the history of the farmhouse, while Cameron Tesson played the fiddle on the front porch (see picture at right). His mom, Bonnie, provided chunks of chilled watermelon and the McCauleys hosted croquet games out on the lawn. The butterfly and herb gardens looked beautiful.

In spite of rain early in the day, we had a steady stream of visitors and consider the day a success!

We're Wired!

Actually, it is not hooked up (yet), but it looks amazing. The Society recently received the donation of a 1910 wall telephone. The donor, Brenda Minge of University City, kindly donated this beautiful telephone – which was in use before any of us were born! We are extremely grateful to her for this outstanding addition to the farmhouse.

Help us keep the past alive!

Our Great Garden Volunteers!

As we know, “it takes a village” to maintain an 1873-era farmhouse. We are fortunate to have a wonderful group of volunteers committed to maintaining Sutter-Meyer’s butterfly and herb gardens. We would not have this beauty without their steady work and dedication. Our sincere and heartfelt THANKS go out to each and every one of them!
